2022 PROGRAM

Gaudet's Auto Body **ISLANDERS**

The PEI Senior Islanders Baseball Team known as the Charlottetown Gaudet's Auto Body Islanders are excited to announce the **2022 BOOSTER Club** for the upcoming baseball season.

The Islanders are the Prince Edward Island representative in the New Brunswick Senior Baseball League (https://seniorbaseballnb.com/www.seniorbaseballnb.com/front_2.html) and are returning as the defending league champions. 2021 was exciting as a team, made up of Island players developed and improved throughout the season. They peaked at the right time to defeat the Moncton Fisher-Cats and claim the league title.

As 2021 League Champions the Islanders will be representing PEI and NB at the Canadian National Senior Championships in Sydney NS Aug 25 to 28 (<https://www.baseball.ca/baseball-canada-championships>). The Islanders will play 14 games at Memorial field, and 2 home games at Legends field Summerside. Along with 16 road games. The 2021 Islanders were a young exciting team and will be a must-see team for 2022.

The team has revised its board of directors and is excited about developing the Booster Club and engaging with our fans by expanding its social media footprint.

A separate group is formulating a bid to host the 2024 National Championships in Charlottetown. Headed by Islanders pitcher Jake Beck, they have the complete support of the PEI Senior Islanders Baseball Team along with their Board of Directors.

Memorial Field is a fantastic home field and the Islanders love playing hard for the fans in its comfortable confines. The challenge at Memorial is the openness of the field regarding charging admissions as it is in Victoria Park. The Islanders will use a Booster Club Model to offset this while continuing the tradition of fans enjoying a ballgame as they wish. The casual atmosphere at the field is part of its true charm. It is the teams desire that the cost of a Booster Club membership will be a good value based on its benefits.
